RESILIENCE SUB-COMMITTEE THE COMMITTEE CLERK'S REPORT ON ANY MATTERS NOT INCLUDED ON THIS AGENDA AGENDA ITEM 4

1. Environment Agency Project Study

The Project Study has been on hold while the Environment Agency prioritise work over the winter months. The Angmering Project Study is next on the prioritisation list and will again be live in the next couple of months. To recap the project has moved past the appraisal stage and the Partnership Funding Manager has been in discussion with other parties.

2. Resilience and Emergency Team Training

This training has now been organised for Saturday 24th June 2017, venue to be confirmed. The training session will be used as a train the trainer session to enable training of people who are unable to attend.

3. Operation Watershed Funding

Funding for ditch work between the culvert exit at Amber Cottage and the bridge at The Thatchway has now been received. Upon further investigation, a permit from the Environment Agency to carry out the work is required. Investigations are currently being made with the Environment Agency about the permit and permit cost.
