Communities, Leisure, Environment and Wellbeing Meeting. Wednesday 28th June 2017.

Agenda Item 11.

Angmering Twinning Association Planter

The Angmering Twinning Association have a planter located on the Village Square, this was installed in July 2016 for the Twinning Association's 40th anniversary. The Twinning Association have now asked for the Parish Council to adopt and maintain the planter. Angmering Parish Council currently pay £7617 to maintain beds and planters, this particular unit will cost an additional amount of £242.71 on an annual basis with the current contractors.

Members of the Communities, Leisure, Environment and Wellbeing Committee are asked to consider the above and to make a decision on adopting the planter.

Subject: Re: Respond

Rob,

As I explained to you yesterday I have mailed you the following ideas about raising the PC profile and increasing the community fund:-

1/as RFID fraud is on the increase, we sell RFID security sleeves at a nominal £1. We can sell these through the library, increasing their footfall. Logoed one side Angmerin library and the other with APC. Delta signs will print free and I will provide the sleeves

2/ Lease a 3d printer to secondary schools a £100 pa. I have built the printer and will gift it to APC

3/ Lease a flight simulator to a local air cadet group, Again at £100 pa. The simulator is complete And I will gift it to APC

With regard to 2 & 3 The lessees will be responsible for insurance. Danni has a list of all the equipment to be supplied which in the case of the 3d printer includes all the educational instructions as well as filaments and in the case of the flight simulator includes all the DVD's and power supplies.

Mike

Communities, Leisure, Environment and Wellbeing Meeting. Wednesday 28th June 2017

Agenda Item 13 Events.

St Peter and St Paul Annual Fair, Saturday 1st July 2017.

The St Peter and St Paul Annual Fair preparations are going well with a variety of stallholders, Huxley's Birds of Prey and Sompington Morris Dancers all confirmed. The fair has been advertised in the Parish Council noticeboards, on social media pages, the Parish Council Window and the All about Angmering magazine. The Annual Fair leaflets have been distributed to St Wilfrid's and St Margaret's Schools and are available in many of the shops in the village centre.

Skatebowl and BMX Jam 2017

The BMX event started in September 2015 with a promotional open day for the newly constructed BMX Track, this event was run by the contractors of the BMX Track build and was a successful day. 2016 saw an event which covered both the skatebowl and the BMX Track with each being run by separate organisations. Members of staff from the Parish Council office had a large workload in organising the 2016 event with many communication problems with the organisations running the events and with the event on the day, with staff members and councillors performing tasks that were not considered to be part of the arrangement.

Again there has been difficulty with communication and other lines of enquiry have been undertaken. S N Jenks, who ran the 2015 Promotional Open Day has said that the Angmering Track is a pump BMX Track and is not suitable to hold National or Regional races. He will write and confirm the reasons.

Due to the nature of the event and that professionals are needed to run the event, Councillors are asked to consider not holding the event this year and to hold it every 2 years for the future.
