Communities, Leisure, Environment and Wellbeing Committee Meeting. Wednesday 29 May 2019

Agenda Item 12, COMMUNITY CENTRE GREENSPACE HOLES

The Angmering Parish Office has been made aware that large holes are appearing in the greenspace around the Community Centre. This is something we believe needs to be addressed as soon as possible.

We have had the site looked at and the following action needs to be taken:

- To import approx. 12 tons of soil and transport to holes, fill holes and consolidate.
- Prepare soil and level.
- Supply and lay turf to the 2 largest holes.
- Supply and spread grass seed to remaining area.
- Place barrier tape over filled areas until turf takes and seed germinates.
- Price does not include for watering of turf (weather will dictate optimum timings).

Cost for the above work will be: **£1,585.00** plus VAT.

The funding of this project is not in the 2019/2020 budget.

Decision Needed: To decide if the above quote is acceptable and if agreed to schedule the work.
