Our Ref: MARK/ANG001

Mrs K Herr
Angmering Parish Council
The Corner House
The Square
Angmering
West Sussex
BN16 4EA

27 April 2022

Dear Katie

Re: Angmering Parish Council
Internal Audit Year Ended 31 March 2022

Executive summary

Following completion of our interim internal audit on 1 December 2021 and final audit on 27 April 2022, we enclose our report for your kind attention and presentation to the council. The audit was conducted in accordance with current practices and guidelines and testing was risk based. Whilst we have not tested all transactions, our samples have where appropriate covered the entire year to date. **Testing requirements are shown in red** and where appropriate **recommendations for future action are shown in bold text and summarised in the tables at the end of the report.**

Our report is presented in the same order as the assertions on the internal auditor report within the published AGAR. The start of each section details the nature of the assertion to be verified, followed by recommended minimum testing requirements. Each section is then concluded with an opinion as to whether the assertion has been met or not.

Our sample testing did not uncover any errors or misstatements that require reporting to the external auditor, nor did we identify any significant weaknesses in the internal controls such that public money would be put at risk.

It is clear the council takes governance, policies and procedures very seriously and I am pleased to report that overall, the systems and procedures you have in place are fit for purpose and whilst my report may contain recommendations to change these are not indicative of any significant failings, but rather are pointers to improving upon an already well-ordered system.

It is therefore our opinion that the systems and internal procedures at Angmering Parish Council are well established and followed.

Regulation

The Accounts and Audit Regulations 2015 require smaller authorities, each financial year, to conduct a review of the effectiveness of the system of internal control and prepare an annual governance statement in accordance with proper practices in relation to accounts. In addition to this, a smaller authority is required by Regulation 5(1) of the Accounts and Audit Regulations 2015 to "undertake an effective internal audit to evaluate the effectiveness of its risk management, control and governance processes, taking into account public sector internal auditing standards or guidance."

Internal auditing is an independent, objective assurance activity designed to improve an organisation's operations. It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes. The purpose of internal audit is to review and report to the authority on whether its systems of financial and other internal controls over its activities and operating procedures are effective.

Internal audit's function is to test and report to the authority on whether its specific system of internal control is adequate and working satisfactorily. The internal audit reports should therefore be made available to all members to support and inform them when they considering the authority's approval of the annual governance statement.

Independence and competence

Your audit was conducted by Andy Beams of Mulberry & Co. We confirm we are independent from the management of the financial controls and procedures of the council and neither the internal auditor or the firm have any conflicts of interest with the audit client, nor do they provide any management or financial assistance to the client.

Your auditor has over 30 years' experience in the financial sector with the last 12 years specialising in local government.

Engagement Letter

An engagement letter was issued to the council covering the 2021/22 internal audit assignment. Copies of this document are available on request.

Planning and inherent risk assessment

The scope and plan of works including fee structure was issued to the council under separate cover. Copies of this document are available on request. In summary, our work will address each of the internal control objectives as stated on the Annual Internal Audit Report of the AGAR.

- There have been no instances of breaches of regulations in the past
- The client uses an industry approved financial reporting package
- The client regularly carries out reconciliations and documents these
- There is regular reporting to council
- The management team are experienced and informed
- Records are neatly maintained and referenced
- The client is aware of current regulations and practices
- There has been no instance of high staff turnover

It is my opinion that the inherent risk of error or misstatement is low, and the controls of the council can be relied upon and as such substantive testing of individual transactions is not required. Testing to be carried out will be "walk through testing" on sample data to encompass the period of the council year under review.

N	PUBLICATION REQUIREMENTS (INTERIM AUDIT)	14
O	TRUSTEESHIP (INTERIM AUDIT)	15

A. BOOKS OF ACCOUNT (INTERIM AUDIT)**Internal audit requirement**

Appropriate accounting records have been properly kept throughout the financial year.

Recommended minimum testing:

- Ensure the correct roll forward of the prior year cashbook balances to the new financial year
- Check a sample of financial transactions in cashbooks to bank statements, etc.: the sample size dependent on the size of the authority and nature of accounting records maintained

Interim audit

The council continues to use the Rialtas Business Solution (RBS) software package for recording the day-to-day financial transactions of the council. This is a tried and tested industry specific package and I make no recommendation to change. The system is used regularly to record transactions and to provide management information reports for council.

The interim audit was conducted on site and the Clerk had prepared the requested information for review. Other information was reviewed on the council website and through discussion with the Clerk.

Meeting agendas are logically structured and minutes show clear resolutions being made by committee and council. I make no recommendation to change this system.

The council is not VAT registered and completes reclaims via a VAT 126 claim form on a quarterly basis. The last VAT reclaim was for the period 1 August to 31 October 2021 inclusive and showed a refund position of £3,697.51. I confirmed this amount was received to the council's bank account on 22 November 2021. The council is up to date with its postings.

Final Audit

The final audit was conducted on site. The Clerk had prepared the requested information in advance, and all information was to hand for the audit. The information was neatly presented, clear and concise and the Clerk continues to ensure the council's financial records are maintained to a high standard.

Section conclusion

I am of the opinion that the control assertion of "Appropriate accounting records have been properly kept throughout the financial year" has been met.

B. FINANCIAL REGULATIONS, GOVERNANCE AND PAYMENTS (INTERIM AND FINAL AUDIT)**Internal audit requirement**

This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for.

Recommended minimum testing:

- Review the procedures in place for acquisition of formal tenders and quotes, ensuring they are in line with the Standing Orders and Financial Regulations which should be based on the latest version.
- Ensure that consistent values are in place for the acquisition of formal tenders between Standing Orders and Financial Regulations (frequently different limits are recorded in the two documents)
- Review the procedures for receipt of invoices, agreement of invoice detail and confirmation of goods /services delivery and approval for payment: ideally, a suitably designed certification stamp should be in place providing for evidencing of these checks and payment authorisation
- Check that there is effective segregation between the writing of cheques or the setting up of online payments, and physical release of payments
- Check that VAT reclaims are prepared and submitted in a timely manner in line with the underlying records and in accordance with current HMRC requirements

- Where debit / credit cards are in use, establish the total monthly and individual transaction limits and ensure appropriate controls over physical security and usage of the cards are in place

Interim audit

Check the publication and minuting of the prior year audited AGAR and notice of conclusion of audit.

The external auditor's report for 2020/21 was not qualified and has been published on the council website along with the Notice of Conclusion of Audit form. This was reported to the council meeting on 11 October 2021.

At the Annual Meeting on 5 May 2021, the council were presented with the internal auditor's report, and this is recorded in the minutes.

Confirm by sample testing that councillors sign statutory office forms

I confirmed by sample testing that councillors sign "Acceptance of Office" forms. The council website provides a summary of the Register of Members' Interests for each councillor.

Confirm that the council is compliant with the relevant transparency code

The council's income and expenditure are between £25,000 and £200,000 per annum, and it is therefore not required by law to follow the Local Government Transparency Code, although it is recommended to do so. A review of the council website shows that the council is publishing the information contained within the code.

Confirm that the council is compliant with GDPR

The council is fully aware of GDPR and has undergone training. It was noted the council has established common email addresses for all councillors. This is recommended because it gives a natural segregation between work and personal lives, making it clear beyond doubt in what capacity a councillor is acting. In addition to this it gives control to the council, adds a degree of professionalism and in the event of a FOI request limits access to personal computers.

The council has a Privacy Notice on the home page of its website. It is clear the council takes its responsibilities seriously and has made every effort to comply with the legislation.

Confirm that the council meets regularly throughout the year

In addition to full council, the council has committees for Community, Leisure, Employment & Wellbeing, Planning & Infrastructure, Governance & Oversight. There are regular scheduled meetings during the year, and a diary of future meetings is available on the website.

Check that agendas for meetings are published giving 3 clear days' notice.

The Clerk was able to demonstrate that at least 3 clear days' notice is given on agendas. Whilst we have not tested every single committee and council meeting there was no evidence of non-compliance in giving three clear days' notice of the meeting. It was noted that supporting documentation for agendas is also published on the council website.

Check the draft minutes of the last meeting(s) are on the council's website

Draft minutes are uploaded to the council website and clearly marked as draft. These are subsequently replaced with final versions once approved.

Confirm that the Parish Council's Standing Orders have been reviewed within the last 12 months.

The standing orders are based on the current NALC model and were last reviewed and approved by council at the meeting held on 13 September 2021 (minute ref 21/072).

Confirm that the Parish Council has adopted and recently reviewed Financial Regulations.

Financial regulations are based on the current NALC model and were last reviewed and approved by council at the meeting held on 5 May 2021 (minute ref 21/019). The regulations contain provisions for the approval of spending, setting of budgets, reconciliation of the bank and reporting to council.

Check that the council's Financial Regulations are being routinely followed.

The council has thresholds in place at which authorisations to spend must be obtained (Financial Regulation 4.1) as below: -

- The Council for all items over £5,000
- A duly delegated committee of the council – CLEW – up to £7,500 per project
- The Clerk, in conjunction with the Chairman of Council or Chairman of the appropriate committee, for any items below £1,000

These thresholds appear inconsistent, and lead to ambiguity with amounts that either fall between £1,000 and £5,000, or for CLEW amounts between £5,000 and £7,500. I discussed this with the Clerk and suggest that the thresholds are reviewed to make clearer for all to follow.

I discussed with the Clerk the invoice payments processes, and there is a clear system in place, with dual entry required for payment of online amounts.

There is evidence of regular presentation of financial reports to council and it is clear that councillors are provided with sufficient information to make informed decisions.

Confirm all section 137 expenditure meets the guidelines and does not exceed the annual per elector limit of £8.41 per elector.

The council has the General Power of Competence (GPC) and the thresholds do not apply.

Confirm that checks of the accounts are made by a councillor.

The system noted above details internal review takes place and I am under no doubt that council properly approves expenditure.

Final Audit

From the information provided for review at the final audit, and a review of the council website information added since the interim audit, the council continues to follow its processes and procedures and complies with financial regulations.

I noted that the Financial Regulations were updated in December 2021 to clarify the authorisation levels.

Section conclusion

I am of the opinion that the control assertion "This authority complied with its financial regulations, payments were supported by invoices, all expenditure was approved, and VAT was appropriately accounted for" has been met.

C. RISK MANAGEMENT AND INSURANCE (INTERIM AND FINAL AUDIT)**Internal audit requirement**

This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these.

Recommended minimum testing:

- Ensure that authorities have prepared, and formally adopted, at least once annually, an appropriate and comprehensive register of assessed risks, both regular and ad hoc
- Ensure that appropriate levels of insurance cover are in place for land, buildings, public, employers' and hirers' (where applicable) liability, fidelity / employees (including councillors) liability, business interruption and cyber security
- Ensure that appropriate arrangements are in place for monitoring play areas, open spaces and sports pitches: such reviews should be undertaken by appropriately qualified external inspectors or, if by officers or members, that they have received the appropriate training and accreditation

Interim audit

The council has a risk assessment process in place and completes individual assessments for events. I reviewed the financial risk assessment, which is updated quarterly and was last approved by council at the meeting held in October 2021. The financial risk assessment includes identification of risk types, an assessment of the severity and likelihood of the risk occurring and mitigating measures in place. This is entirely suitable for a council of this size.

I confirmed that the council has a valid insurance policy in place with Hiscox, brokered through Came & Co, in a long-term agreement expiring on 30 September 2024. The policy includes Public Liability and Employers Liability cover of £10 million each and a Fidelity Guarantee level of £500,000. **I recommend the level of Fidelity Guarantee is reviewed based on the balances currently held by the council.**

Final Audit

Based on the year-end figures, I recommend the council reviews again the Fidelity Guarantee level.

We discussed assertion 8 on the AGAR and whether or not this had any impact on the council.

“We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.”

The Clerk was able to confirm there were no matters excluded from the accounting statements.

Section conclusion

I am of the opinion that the control objective of “This authority assessed the significant risks to achieving its objectives and reviewed the adequacy of arrangements to manage these” has been met.

D. BUDGET, PRECEPT AND RESERVES (INTERIM AND FINAL AUDIT)

Internal audit requirement

The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate.

Recommended minimum testing:

- Ensure that the full authority, not a committee, has considered, approved and adopted the annual precept in accordance with the required parent authority timetable
- Ensure that budget reports are prepared and submitted to authority / committees periodically during the year with appropriate commentary on any significant variances
- Review the budget performance either during the year or at the financial year-end seeking explanations for any significant or unanticipated variances
- Ensure that the authority has considered the establishment of specific earmarked reserves and, ideally, reviews them annually as part of the budget assessment process
- Ensure that the precept in the accounts matches the submission form to the relevant authority and the public record of precepted amounts

Interim audit

The Clerk confirmed that the budget setting process for 2022/23 is underway, and a meeting is taking place with the Chairman later today. A survey has been circulated to residents, and the results of this will support the council’s decisions over spending priorities for the following year. The final sign off of the budget and precept will be completed at the council meeting scheduled for January 2022.

A review of the council’s performance against budget year to date shows income recorded as 109.8% and expenditure as 50.8% of budget. The Clerk confirmed that income was higher than budgeted due to grant income received, and expenditure was below expected levels due to a number of events being reduced or cancelled during the pandemic restrictions. This indicates that the budget was accurately set and carefully monitored throughout the year.

At the interim audit date, the council held circa £203,000 in earmarked reserves, spread across a number of projects. The council also holds circa £359,000 in general reserves. This is higher than the recommended level of circa six months of precept and will be reviewed again at the year-end audit.

Final audit

The council's year-end position reports income at circa 113% of budget and expenditure is reported as circa 81% of budget. This demonstrates that the budget was accurately set and has been carefully monitored throughout the year, and this is supported by reference to the council minutes.

At year-end, the council held circa £270,000 in a number of clearly defined earmarked reserves. I tested the purposes of the earmarked reserves with the Clerk and am content that they are all for legitimate future planned projects for the council.

The council has a general reserve of circa £380,000 at the year-end. General guidance recommends an appropriate level of general reserve as circa three to twelve months net revenue expenditure, as adjusted for local conditions. The current level is at the top end of this range and council is advised to keep this level under review.

Section conclusion

I am of the opinion that the control objective of "The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored; and reserves were appropriate" has been met.

E. INCOME (INTERIM AUDIT)**Internal audit requirement**

Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for.

Recommended minimum testing:

- Review "aged debtor" listings to ensure appropriate follow up action is in place
- Allotments: ensure that appropriate signed tenancy agreements exist, that an appropriate register of tenants is maintained identifying, that debtors are monitored.
- Burials: ensure that a formal burial register is maintained that it is up-to-date and that a sample of interments and memorials are appropriately evidenced, that fees have been charged at the correct approved rate and been recovered within a reasonable time: (Authorities should also acquire and retain copies of Burial / Cremation certificates)
- Hall hire: ensure that an effective diary system for bookings is in place identifying the hirer, hire times and ideally cross-referenced to invoices raised
- Leases: ensure that leases are reviewed in a timely manner in accordance with the terms of the lease and rents similarly reviewed appropriately at the due time
- Other variable income streams: ensure that appropriate control procedures and documentation are in existence to provide a clear audit trail through to invoicing and recovery of all such income
- Where amounts are receivable on set dates during the year, ensure that an appropriate control record is maintained duly identifying the date(s) on which income is due and actually received / banked

Interim audit

Apart from the precept, the council receives income from flat rental and other amounts from grants, VAT refunds and bank interest. I reviewed the nominal ledger and confirmed that amounts appear to have been allocated to the correct codes.

Section conclusion

I am of the opinion that the control objective of "Expected income was fully received, based on correct prices, properly recorded and promptly banked; and VAT was appropriately accounted for" has been met.

F. PETTY CASH (INTERIM AUDIT)**Internal audit requirement**

Petty cash payments were properly supported by receipts, all petty cash expenditure was approved and VAT appropriately accounted for.

Recommended minimum testing:

- A number of authorities are now running down and closing their petty cash accounts and using debit / credit cards for ad hoc purchases. Consequently, a “not applicable” response is frequently required in this area.
- Review the systems in place for controlling any petty cash and cash floats (used for bar, catering, etc.)
- Check a sample of transactions during the financial year to ensure appropriate supporting documentation is held
- Review the existence of evidenced periodic independent verification of the petty cash and any other cash floats held
- Ensure that VAT is identified wherever incurred and appropriate
- Physically check the petty cash and other cash floats held
- Where bar or catering facilities are in place, ensure that appropriate cashing-up procedures are in place reconciling the physical cash takings to the till “Z” total readings

Interim audit

The council has a small petty cash float for incidental expenses. The amount is inconsequential to the council’s overall position.

The petty cash is reconciled monthly and is recorded on the RBS system.

Section conclusion

I am of the opinion the control objective of “Petty cash payments were properly supported by receipts, all petty cash expenditure was approved, and VAT appropriately accounted for” has been met.

G. PAYROLL (INTERIM AND FINAL AUDIT)**Internal audit requirement**

Salaries to employees and allowances to members were paid in accordance with this authority’s approvals, and PAYE and NI requirements were properly applied.

Recommended minimum testing:

- Ensure that, for all staff, a formal employment contract is in place together with a confirmatory letter setting out any changes to the contract
- Ensure that appropriate procedures are in place for the payment of members allowances and deduction of any tax liability
- Ensure that, for a sample of staff salaries, gross pay due is calculated in accordance with the approved spinal point on the NJC scale or hourly rate, if off-scale, and with the contracted hours
- Ensure that appropriate tax codes are being applied to each employee
- Where free or paid for software is used, ensure that it is up to date.
- For the test sample of employees, ensure that tax is calculated appropriately
- Check the correct treatment of pension contributions to either the Local Government pension scheme (non - taxable, deducted from the gross salary or DC schemes like NEST which already allow for tax deductions)
- For NI, ensure that the correct deduction and employer’s contributions are applied: NB. The employers’ allowance is not available to councils but may be used by other authorities
- Ensure that the correct employers’ pension percentage contribution is being applied
- Ensure that for the test sample, the correct net pay is paid to the employee with tax, NI and pension contributions correctly paid to the respective agencies

Interim audit

The council uses an external company to provide payroll services. The external provider completes all the PAYE and NI calculations and operates as the BACS provider for the council, making the salary, HMRC and pension payments.

All employees have a signed contract of employment, based on the NALC model, and the council is registered with the West Sussex County Council (LGPS) Pension scheme. There are councillor allowances paid half yearly through payroll.

Final Audit

I was able to confirm that the amount entered in box 4 on the AGAR correctly reflects only allowable staff costs, i.e., salaries, employers National Insurance and pensions contributions. All staff members on the NJC scale have received the backdated pay rises in their March salaries.

Section conclusion

I am of the opinion that salaries are correctly stated on the AGAR and that the control object of "Salaries to employees and allowances to members were paid in accordance with this authority's approvals, and PAYE and NI requirements were properly applied" has been met.

H. ASSETS AND INVESTMENTS (INTERIM AND FINAL AUDIT)**Internal audit requirement**

Asset and investments registers were complete and accurate and properly maintained.

Recommended minimum testing:Tangible fixed assets

- Ensure that the authority is maintaining a formal asset register and updating it routinely to record new assets at historic cost price, net of VAT and removing any disposed of / no longer serviceable assets
- Physically verifying the existence and condition of high value, high risk assets may be appropriate
- Ideally, the register should identify for each asset the purchase cost and, if practicable, the replacement / insured cost, the latter being updated annually and used to assist in forward planning for asset replacement
- Additions and disposals records should allow tracking from the prior year to the current
- Ensure that the asset value to be reported in the AGAR at Section 2, Box 9 equates to the prior year reported value, adjusted for the nominal value of any new acquisitions and /or disposals
- Compare the asset register with the insurance schedule to ensure that all assets as recorded are appropriately insured or "self-insured" by the authority

Fixed asset investments

- Ensure that all long-term investments (i.e., those for more than 12-month terms) are covered by the "Investment Strategy" and reported as Assets in the AGAR at Section 2, Box 9.

Borrowing and lending

- Ensure that the authority has sought and obtained appropriate DMO approval for all loans acquired
- Ensured that the authority has accounted for the loan appropriately (i.e., recorded the full value of the loan. Any arrangement fee should be regarded as an admin expense) in the year of receipt
- Ensure that the combined principal loan repayment and interest for the year is correctly recorded in the AGAR at Section 2 Box 5
- Ensure that the outstanding loan liability as of 31st March each year is correctly recorded in the AGAR at Section 2, Box 10 (value should be verified via the DMO website)
- Where the authority has issued loans to local bodies, they should ideally seek signed indemnities from the recipient body, or their members, agreeing to underwrite the loan debt

Interim audit

The council has a fixed asset register which is maintained in an Excel format. The register provides all the required details and assets are correctly recorded at cost/proxy cost value. I discussed with the Clerk the suggestion of introducing a threshold below which amounts will not be added to the register, and this will be considered by council.

Final Audit

The asset register has been updated during the year and includes additions and disposals. I was able to trace the change in asset register total and confirmed that the amount entered onto the AGAR matches the total for 31 March 2022.

I confirmed the outstanding PWLB balance to the PWLB year-end statement.

Section conclusion

I am of the opinion that the control objective of "Asset and investments registers were complete and accurate and properly maintained" has been met.

I. BANK AND CASH (INTERIM AND FINAL AUDIT)**Internal audit requirement**

Periodic and year-end bank account reconciliations were properly carried out.

Recommended minimum testing:

- Ensure that bank reconciliations are prepared routinely, are subject to independent scrutiny and sign-off by members
- Verify the accuracy of the year-end bank reconciliation detail and ensure accurate disclosure of the combined cash and bank balances in the AGAR, Section 2, Box 8
- Where the authority has bank balances in excess of £100,000 it has an appropriate investment strategy

Interim audit

Bank reconciliations are reviewed and signed off at meetings. The Clerk was able to show me versions which had been independently verified and included signatures of councillors on the reconciliation statement and the original bank statement, as per Financial Regulations.

I reviewed the most recent reconciliations and found no errors and was able to confirm balances to the bank statements.

Final Audit

At the year-end the council had a reconciled bank position across all its accounts, and I was able to confirm bank balances to the statements for 31 March 2022. I noted that the reconciliations are signed regularly by council in accordance with Financial Regulations.

Section conclusion

I am of the opinion that bank and cash balances are properly shown on the AGAR and that the control objective of "Periodic and year-end bank account reconciliations were properly carried out" has been met.

J. YEAR END ACCOUNTS (FINAL AUDIT)**Internal audit requirement**

Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded.

Recommended minimum testing:

- Ensure that, where annual turnover exceeds £200,000, appropriate records are maintained throughout the year on an Income and Expenditure basis to facilitate budget reporting in that vein
- Ensure that appropriate accounting arrangements are in place to account for debtors and creditors during the year and at the financial year-end

Final Audit**Section 1 – Annual Governance Statement**

	Annual Governance Statement	<i>'Yes' means that this authority</i>	Suggested response based on evidence
1	We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.	<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>	YES –accounts follow latest Accounts and Audit Regulations and practitioners guide recommendations.
2	We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.	<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>	YES – there is regular reporting of financial transactions and accounting summaries, offering the opportunity for scrutiny.
3	We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.	<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>	YES – the Clerk is experienced and advises the council in respect of its legal powers.
4	We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.	<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>	YES – the requirements and timescales for 2020/21 year-end were followed.
5	We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.	<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>	YES – the council has a risk management scheme and appropriate external insurance.
6	We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.	<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>	YES – the council has appointed an independent and competent internal auditor.
7	We took appropriate action on all matters raised in reports from internal and external audit.	<i>responded to matters brought to its attention by internal and external audit.</i>	YES – the council takes action on recommendations within internal audit reports
8	We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and. Where appropriate,	<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>	YES – no matters were raised during the internal audit visits.

	have included them in the accounting statements.		
9	Trust funds including charitable – In our capacity as the sole managing trustee we discharged our accountability responsibilities for the fund(s)/asset(s), including financial reporting and, if required, independent examination or audit.	<i>has met all of its responsibilities where, as a body corporate, it is a sole managing trustee of a local trust or trusts.</i>	N/A – the council has no trusts

Section 2 – Accounting Statements

At the time of the year-end audit, the AGAR figures presented for checking were as below:

AGAR Box Number		2020/21	2021/22	Auditor Notes
1	Balances brought forward	203,561	524,373	Correctly carried over from box 7 2020/21
2	Precept or rates and levies	385,100	389,850	Confirmed against precept amount received
3	Total other receipts	324,879	69,234	Confirmed against accounting records
4	Staff costs	176,917	178,841	Confirmed against accounting records
5	Loan interest/capital repayments	8,142	8,142	Verified against PWLB statement
6	All other payments	204,108	142,481	Confirmed against accounting records
7	Balances carried forward	524,373	653,993	Total correctly equals (1+2+3) – (4+5+6)
8	Total value of cash and short-term investments	505,681	650,331	Confirmed against accounting records and account balances
9	Total fixed assets plus long-term investments and assets	2,060,763	2,130,613	Verified against asset register
10	Total borrowings	141,169	136,854	Verified against PWLB statement
11	Disclosure note re Trust Funds (including charitable)	YES	NO	n/a – the council has no trusts

The year-end accounts have been correctly prepared on the income and expenditure basis with the box 7 & 8 reconciliation explained using the RBS reserves reconciliation.

The AGAR correctly casts and cross casts and the comparatives have been correctly copied over from the previous year's AGAR.

The explanation of variances has been completed to explain the variances in boxes 3, 6, 7 and 8. In my opinion, this provides enough information for the external auditor.

Section conclusion

I am of the opinion that the control assertion "Accounting statements prepared during the year were prepared on the correct accounting basis (receipts and payments or income and expenditure), agreed to the cash book, supported by an adequate audit trail from underlying records and where appropriate debtors and creditors were properly recorded" has been met.

K. LIMITED ASSURANCE REVIEW (FINAL AUDIT)**Internal audit requirement**

If the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt. (If the authority had a limited assurance review of its 2020/21 AGAR tick “not covered”)

Recommended minimum testing:

- The correct exemption certificate was prepared and minuted in accordance with the statutory submission deadline
- That it has been published, together with all required information on the Authority’s website and noticeboard

Section conclusion

I am of the opinion that the control assertion of “If the authority certified itself as exempt from a limited assurance review in 2020/21, it met the exemption criteria and correctly declared itself exempt” is not applicable due to the council not declaring itself exempt from a limited assurance review in 2020/21.

L: TRANSPARENCY (INTERIM AUDIT)**Internal audit requirement**

If the authority has an annual turnover not exceeding £25,000, it publishes information on a website / webpage up to date at the time of the internal audit in accordance with the Transparency Code for Smaller Authorities

Recommended minimum testing:

- This test applies only to those councils covered by the £25,000 External Audit exemption
- Internal auditors should review the authority’s website ensuring that all required documentation is published in accordance with the Transparency Code for Smaller Authorities

Interim audit

The council has an annual turnover exceeding £25,000, and this test does not apply.

Section conclusion

I am of the opinion that the control assertion of “If the authority has an annual turnover not exceeding £25,000, it publishes information on a website/ webpage up to date at the time of the internal audit in accordance with the Transparency code for smaller authorities” is not applicable due to the council turnover exceeding £25,000.

M: EXERCISE OF PUBLIC RIGHTS - INSPECTION OF ACCOUNTS (FINAL AUDIT)**Internal audit requirement**

The authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required “Public Notice” ensuring that it clearly identifies the statutory 30 working day period when the authority’s records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Final Audit

Inspection – key dates	2020/21 Actual	2021/22 Proposed
Date inspection notice issued	2 June 2021	1 June 2022
Inspection period begins	3 June 2021	6 June 2022
Inspection period ends	14 July 2021	15 July 2022
Correct length (30 working days)	Yes	Yes
Common period included (first 10 working days of July)	Yes	Yes

I am satisfied the requirements of this control objective were met for 2020/21, and assertion 4 on the Annual Governance Statement can therefore be signed off by the council. I have confirmed that the proposed timescales for 2021/22 are within the requirements of this control objective.

The council plans to sign the AGAR at the meeting to be held on 9 May 2022.

Section conclusion

I am of the opinion that the control assertion “the authority has demonstrated that during summer 2021 it correctly provided for the exercise of public rights as required by the Accounts and Audit Regulations” has been met.

N: PUBLICATION REQUIREMENTS (INTERIM AUDIT)**Internal audit requirement**

The authority has complied with the publication requirements for 2020/21. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage.

Recommended minimum testing:

- Internal auditors should acquire / examine a copy of the required “Public Notice” ensuring that it clearly identifies the statutory 30 working day period when the authority’s records are available for public inspection.
- Internal auditors may also check whether councils have minuted the relevant dates at the same time as approving the AGAR

Before 1 July 2021 authorities must publish:

- Notice of the period for the exercise of public rights and a declaration that the accounting statements are as yet unaudited
- Section 1 - Annual Governance Statement 2020/21, approved and signed, page 4
- Section 2 - Accounting Statements 2020/21, approved and signed, page 5

Not later than 30 September 2021 authorities must publish:

- Notice of conclusion of audit
- Section 3 - External Auditor Report and Certificate
- Sections 1 and 2 of AGAR including any amendments as a result of the limited assurance review.

It is recommended as best practice, to avoid any potential confusion by local electors and interested parties, that you also publish the Annual Internal Audit Report, page 3.

Interim audit

I was able to confirm that the publication requirements for 2020/21 have been met and the Notice of Public Rights is published on the council website.

Section conclusion

I am of the opinion that the control assertion of “the authority has complied with the publication requirements for 2019/20 AGAR. Under the Accounts and Audit Regulations 2015, authorities must publish the following information on the authority website / webpage” has been met.

O. TRUSTEESHIP (INTERIM AUDIT)

Internal audit requirement

Trust funds (including charitable) – The council met its responsibilities as a trustee.

Recommended minimum testing:

- Confirm that all charities of which the council is a Trustee are up to date with Charity Commission filing requirements
- that the council is the sole trustee on the Charity Commission register
- that the council is acting in accordance with the Trust deed
- that the charity meetings and accounts are recorded separately from those of the council
- review the level and activity of the charity and where a risk-based approach suggests such, review the Independent Examiner's report

Interim audit

The council has no trusts.

Section conclusion

I am of the opinion that the control assertion of "Trust funds (including charitable) – The council met its responsibilities as a trustee" is not applicable as the council has no trusts.

Should you have any queries please do not hesitate to contact me.

Yours sincerely
