

Planning & Infrastructure Committee Chairs Report 27th June 2023

- I attended the ADC Planning meeting on 7th June 2023 when Application A/71/23 Crete House proposed development on Dappers Lane was heard. It was decided after much discussion regarding an additional condition (proposed but not seconded) and the character of the area, to defer this application pending a site visit by the ADC Planning committee. It is understood that this took place on Tuesday 20th June, awaiting the outcome of that visit.
- ADC Planning are holding a Special Planning Meeting 28th June. The agenda has been published and there is nothing that affects Angmering, however under item 5 of the agenda (*items not on the agenda which the Chair of the meeting is of the opinion should be considered as a matter of urgency by reason of special circumstances*) there is a possibility that after the site visit, application A/71/23 may be considered as such and therefore will/may be heard.
- Application A/11/23 (Old Chandlers Site). The developer has accepted an extension to the application and a meeting is being held during w/c 26 June 2023. We now await the amended plans for further consultation.
- With the news after the latest Planning Policy Committee meeting, that the Review of the ADC Local Plan will re-start it is to be noted that a “Call for Sites 2023” has been published (21st June to 26th July 2023). We now await the outcome of this and the affect it will/may have on Angmering.

Councillor Sylvia Verrinder TD
Chair: Planning & Infrastructure Committee
