5 PI26/046 PUBLIC CONSULTATION

A member of the public attended the meeting to speak regarding the situation with the land proposed for an additional primary school in Angmering and the Section 106 monies, (S106), relating to that land/school has requested that the following be minuted:

'A local resident said he is perturbed to have been told, a few weeks ago, that the County Council no longer intends to deliver the long promised New Angmering Primary School on the dedicated site they already own abutting the Angmering Senior School despite having received sufficient earmarked funds to fully build it and fit it out.'

There followed much discussion between councillors and the member of the public regarding this land and the monies held. The member of the public suggested that any new school should be a Secular school as the only other two primary schools in Angmering Village are faith schools.

The Chair concluded this discussion by stating that she is also concerned about this situation and the fact that the developer of Bramley Green sold this piece of land to WSCC for £1 for the intention of a school. She also said that the Clerk has been running with this for some time through West Sussex County Council and our MP Dr Beccy Cooper but is yet to receive a substantive and definitive answer from both. However, things may be overtaken by the introduction of Local Government Re-organisation and Devolution plans. It has been understood for many years, that the number of places available in local schools does not support an additional school of this type.

The Chair stated that the following questions and suggestions need to be put to our West Sussex County Councillor, Deborah Urquhart by the Clerk:

1. Is there an expiry date for the S106 monies to be allocated?
2. Should Angmering Parish Council continue to insist that the school is built as promised?
3. Can this piece of land now be given over to the Parish for inclusion in the Neighbourhood Plan Review regarding additional housing or environmental purposes?
4. Could it be an extension to the park for resident enjoyment, recreation and events? Currently it is an area untouched and ideal to encourage wildlife habitation.
5. Will the S106 monies be used for Angmering purposes – "Sports Hub" "Blanket 20mph speed" etc.

As it is currently, there is the possibility it could be used for anti-social behaviour. It was agreed that any responses should be taken to the next Full Council and PI meetings.

ACTION The Clerk to continue to pursue West Sussex County Council on the S106 situation and use of the land as discussed at this meeting.

Summer 2026 Parish Meeting - As said in the Chairs Report the transcript and presentations of the meeting on Wednesday 1 July will be forwarded on to you. You can view the recording of the meeting and the presentation slides on the SDNPA website under Town & Parish Meetings. You can also access previous Parish meetings dating back to 2017. The main topic of the meeting was about Rural & Community Led Housing, something we may want to consider for the Neighbourhood Plan Review.

The presentations were given by:

Claire Tester SDNPA Head of Strategic Planning - Update on the local plan and where we are with that

Stella New	SDNPA Development Management Lead - Affordable housing and our strategy
Tom Warder	Chief Executive of Action in Rural Sussex - Promoting Rural Affordable Housing
Claire Morgan	Action in Hampshire – Community Project Specialist the Housing
Anna Miles	Action in Hampshire – Community Project Specialist the Housing

14 PI26/055 COMPLIANCE & ENFORCEMENT

ENF/6/20 – Construction of the Footpath along Dappers Lane from the Swallows Gate Development to Merryfield Crescent.

The ADC Planning Committee Agenda for the Wednesday 22 July 2026, shows that under Agenda Item 14 -Appeals, the Former Merry England Nursery, (Swallows Gate) non-provision of footpath will be discussed.

There are three options for District Councillors to consider:

- Option 1 Submit a planning application to construct the footpath in line with approval A/91/18/PL. If approved, apply for a Section 278 agreement from WSCC and, subject to its approval, proceed with construction. Estimated cost: at least £100,000 which has been estimated from a quote from WSCC. The costs would be likely to occur over the next 2–5-year period after obtaining permission and implementing this route.
- Option 2 Take no further action in respect of the breach and notify residents of Swallows Gate and any other interested parties. No associated cost.
- Option 3 Issue a new Breach of Condition Notice requiring the footway shown in Appendix 1. The notice would be served on the property occupants, who would then be responsible for providing it. No associated cost.

The Officer Recommendations are

- The non-provision of the footpath by the developer has resulted in an under provision of sustainable travel options for the site resulting in fewer benefits for site occupants and other residents.
- The merits of providing the footpath are recognised. However, it is not considered expedient to commit the LPA to funding the costs of providing a footpath in the given circumstances.

QUESTION: Where does this leave Angmering, Swallows Gate and the building of the much-needed footpath?

ACTION: The Clerk to follow up

KH

There followed a discussion where the Chair stated that as this is a longstanding situation, she would recommend Angmering Parish Councillors to watch or attend the planning meeting on the Wednesday 22 July to find out the decision. If councillors wish to make a statement at the meeting, they should notify the Clerk and Arun District Council, (ADC), of their intention. A copy of their 3 minute speech must be presented to the ADC Planning Committee Chair on the day.

15 PI26/056 APPEALS

Arun District Council:

Land west of Brook Lane and South of A259 – Employment / Business site.

A/39/23/PL - Appeal Ref: 2752: PiNS Reference: 6003625 - Written Representation

Awaiting a result of this Appeal.

SDNP:

The Woodman, Arundel Road, Angmering, West Sussex BN16 4EU

Planning Inspectorate Reference: 6006529 / SDNPA Reference: SDNP/25/03093/FUL

Change of use from offices back to residential, no other changes proposed.

Awaiting result of the Appeal.

Still awaiting a date for a Site Visit.

We are still waiting the result of both appeals, the hearings of which could take months. However, as both appeals are by written representation we are not notified as to when the hearings take place, therefore the Chair will continue to monitor the Planning Inspectorate's website.

16 PI26/057 CORRESPONDENCE

Correspondence (letter/e-mail) received relating to Development, Infrastructure, Highways, Transport/Traffic and Environment (Flooding) matters.

There has been correspondence from the residents of Mayflower Meadows (A/44/26/PL) which was sent to all PI Committee members on Wednesday 8 July. APC reviewed this application in June and had no objection, subject to the report from the ADC Drainage Engineers. However, the letters show sharply opposing perspectives. We can only wait for the decision by ADC on this application when it comes to ADC Planning Committee later this year.

17 PI26/058 HIGHWAYS MATTERS

In accordance with the Terms of Reference

As a result of the Councillors Highways Meeting on Monday 15 June, the Clerk has updated the previous action plan to cover all areas of Angmering.

For councillor consideration on the Plan:

- Does it cover all aspects of highways safety?
- Is there anything that could be added to ensure further safety?

Councillors are asked to monitor their areas and report any problems to the appropriate authority and to notify the APC office. Councillors are also asked that when visiting the South Downs National Park, (SDNP), they report any highways issues within Angmering's part of the park to the SDNP Authority using email address - info@southdowns.gov.uk to WSCC and to the APC office. The inclusion of photographs in a report will assist the authority in identifying the location and problem.

After discussion the Chair recommended that all updates to this plan should be highlighted in blue. The attendant member of the public has noted APC's new Highways Safety Action Plan and welcomes the approach APC and the PI committee are taking towards highways safety within the parish.

18 PI26/059 TREE POLICY 2026

The Committee had read the proposed changes to the policy and had nothing further to add.

19 PI26/060 TRAFFIC REGULATION ORDER (TRO) CONSULTATION ARN9018MM – ANGMERING

The Committee and present resident have suggested that in the interest of road safety barriers should be placed either side of the crossing on the pavement with the intention of preventing children running uncontrolled across the crossing.
