AGENDA ITEM	MINUTE NO.		ACTION FOR

2	22/020	DECLARATIONS OF PECUNIARY AND NON-PECUNIARY INTERESTS IN ITEMS ON THE AGENDA.	
3	22/021	APPROVAL OF MINUTES Approval of the minutes of the meeting of the committee from Tuesday 31 May 2022 were agreed and were signed by the Chair.	
4	22/022	THE CLERK'S REPORT ON ANY MATTERS OUTSTANDING FROM THE PREVIOUS MEETING, BUT NOT INCLUDED ON THIS AGENDA Nothing to report	
5	22/023	PUBLIC CONSULTATION The member of the public present had no comments to make or question to ask.	

Councillor Verrinder said that she attended a meeting explaining the Levelling Up and Regeneration Bill which has received its 2nd reading in the House of Commons. This is the latest development in Planning.

Once it has made its way through Parliament it is expected to become law in 2023. Michael Gove MP has said that the current planning system is dysfunctional and under pressure over housing numbers and the delivery of Local Plans, also there is a shortage of planning staff professionals. It appears that the annual target of 300,000 houses, nationally, is not yet being reached. It also appears that the Government is backing down on fixed and centrally determined housing numbers – it begs the question how this will affect Angmering, and the proposed major developments not yet applied for.

She said that her report on this meeting had been sent to members of P&I and are there any comments? There were no comments

<p><u>A/114/22/DOC</u> Approval of details reserved by condition imposed under ref A/144/15/PL relating to Condition No 15 – ecological enhancement scheme.</p> <p>DECISION: Objection</p> <p>COMMENT: APC strongly stands by its objection as previously stated in A/88/22/DOC where it feels that the construction of swales instead of a SuD on this site would only heighten the health and safety issues of the children that use that open space. The amendment dated 24th May whilst it adequately addresses the ecology of the site does so assuming that the construction of swales will be permitted. It is also noted that this construction has already been started without prior consultation or permission.</p>	<p>ADDRESS West End Roundstone North of Water Lane and Angmering South of A27 inclusive of Angmering Oval Raceway Angmering</p>
<p><u>A/115/22/DOC</u> Approval of details reserved by condition imposed under ref A/144/15/PL relating to Condition No 9 - landscaping scheme.</p> <p>DECISION: Objection</p> <p>COMMENT: APC stands by its objection. As the maps provided address in principle the landscaping necessary for the site it still does not address the concerns regarding the health and safety issue of SuD v Swale. APC also feels that until this issue is resolved this application is premature.</p>	<p>ADDRESS Land at West End Nursery Roundstone Lane Angmering</p>
<p><u>A/117/22/DOC</u> Approval of details reserved by condition imposed under A/248/21/PL relating to condition 5-Design Code Masterplan.</p> <p>DECISION: No Objection</p> <p>COMMENT: A Design Code Masterplan has been produced in 130 pages some of which has been superseded with regard to the placing of affordable homes, open space between the two northern settlements and the A27 and these settlements and the bus route. APC feels that this application is Premature. A meeting has been held with the new developers who apologised for all the additional documents on the ADC website. They explained the differences between the outline application and this one. They were questioned on Drainage, Air Quality, Building Heights, play areas and the bus route. In view of the fact that documents continue to be sent to ADC it was decided to defer APC's</p>	<p>ADDRESS Land North of Water Lane and South of A27 inclusive of Angmering Oval</p>

The group met on Thursday 16th June, in attendance was the ADC Conservation Officer Martyn White. The draft assessment was discussed. It was hoped that the work could be completed by the end of this year, however with the work that still needs to be done, the part that ADC must play, and the legalities involved in extending the Conservation Area this may not be possible until mid to later 2023. It is hoped to have another meeting towards the end of July.

They intend to publish the draft local plan in Autumn 2023 when Parish and Town Councils will be invited to make representation, and this is followed the following year with the formal pre-submission consultation.

14 22/032 COMPLIANCE

There has been a lot of correspondence between a resident and Compliance regarding the removal of trees and state of the development site known as Swallows Gate in Dappers Lane. It appears that the removal of 4 trees from the frontage of the site goes against the application and is therefore being dealt with under enforcement. The state of the site, pavements and footpaths has not been left in an acceptable state; however, it has been assured that this is being addressed on Monday 20th June by the developers.

Councillor David Marsh – Complaints have been made regarding the heavy construction vehicles that are using Weavers Hill

15 22/033 APPEALS

The appeal on behalf of McCarthy Stone regarding the refusal of the application relating to the old Chandlers site has been heard by the Planning Inspector and we are awaiting the result of that appeal which could take 3 weeks. Councillor Nikki Hamilton-Street and Councillor Paul Bicknell attended the first day of the meeting and spoke on behalf of Angmering Parish Council and Residents.

We should hear in the next 2 weeks as to the result.

[A/112/21/PL](#)

Application For the Removal Of Condition 14 Following Grant Of A/3/21/PI Relating To The Provision Of A Footpath Along The Site Frontage With Roundstone Lane.

ADDRESS: Pound Place Roundstone Lane Angmering BN16 4AL

All representations must be received by the 24th June 2022 and must quote the appeal reference.

COMMENT: Prior to the meeting Councillor Paul Bicknell raised his concerns over this footpath and what was originally intended. APC strongly stands by its objection and adds, that in the interest of Pedestrian and Road Safety the intention was to run a footpath from the development linking the bus stop and Brougham Grove, further north along the lane from the site. Construction of the footpath would ensure the duty of care, that the developers and owners have, towards clients and visitors to the site, in providing a safe entrance and exit, especially if those visitors and clients must travel by bus and then be forced to walk an unsafe distance to the development.

Erection Of 191 New Homes In A Mix Of 1 To 4 Bedroom Dwellings And 1 Bedroom Apartments, With Associated Landscaping, Parking, Open Space, Play Areas, Construction Of A New Access From Golfers Lane, And All Other Associated Works. ADDRESS: Rustington Golf Centre Golfers Lane Angmering BN16 4NB

All representations must be received by the 29th June 2022 and must quote the appeal reference.

COMMENT: Our original objection to application A/129/21/PL will be reviewed and extra comments added before submission.

Councillor Nikki Hamilton-Street explained the process known as Rule 6. Before making a decision, it was decided to await the Parish Clerk's findings and possible costings to the Parish.

[A/169/21/PL](#) – Land South of A259 (Redrow Homes) – Councillor Nikki Hamilton-Street said that she would be attending on the first day of the appeal with regard to the proposed site south of the A259 and asked for other committee members to attend on the other days. The start date is 4 July 2022.

16 22/034 CORRESPONDENCE

The Arun District Council Planning Compliance Strategy –Discussion on the document took place.

Before adoption of this new Strategy Parish/Town Councils will be consulted to enable them to address concerns that members of the public may wish to raise with them. There are changes in Sections 4, 5, 6, 7, 8 & 10 of the 2019 document. The Chair instructed committee members to read this document and to let the Parish Clerk have their comments as soon as possible to enable her to make comment to ADC.

Cllr Hamilton-Street stated that must make representation on this as it is believed to be a direct reflection of the current staffing issues that are currently being experienced by ADC.

The number of compliance issues reported on several Angmering applications, including South of Water Lane, were discussed with regards to breaches of the Construction Management Plan and the removal of trees. It is imperative that these issues are reported and followed up by ADC – regardless of the staffing levels.

17 22/035 HIGHWAYS MATTERS

A259 – Nothing to report, awaiting the next update from County

A27 – The consultation process has now closed. The next step is the submission of the application to the Planning Inspectorate during the summer/autumn 2022. The Planning Inspector will have 28 days to review the application before deciding whether to accept it for examination. All being well It is hoped that the 8km construction start date will be late 2023/2024 with a possible end date in 2030. The current cost is estimated at £320m +. Should anyone wish to keep up to date with this development then go to the Highways England website.

Hi Katie,

I hope that you are well? I know you are waiting for an update regarding the bench sponsorship from David Wilson Southern Counties, however I wanted to get in touch with a separate request in the meantime.

The housebuilder would also like to invite councillors from the Angmering Parish Council to visit Ecclesden Park for a site tour and Q&A with our sales team and senior Directors this summer. I was hoping to speak to you regarding possible dates in late August for this activity, and am hoping that you can pass on the invitation to any interested councillors.

If this is of interest to anyone in the council, please do let me know what dates would work for a visit.

I refer to the above details. An appeal has been made to the Secretary of State against the decision of Arun District Council to **refuse planning permission**.

The appeal will be determined on the basis of a **public inquiry**. The procedure to be followed is set out in the Town and Country Planning Appeals (Determination by Inspectors) (Inquiries Procedure) (England) Rules 2000 as amended by the Town and Country Planning (Hearings and Inquiries Procedures) (England) (Amendment) Rules 2009 and by the Town and Country Planning (Hearings and Inquiries Procedure) (England) (Amendment) Rules 2013.

For any group or organisation who wish to take an active part in the Inquiry, the opportunity is available to apply for what is known as Rule 6 Status. Although unusual, there is also scope for interested individuals to take part on the same basis. Rule 6 status means that you would be able to present your evidence on a formal basis and cross examine the evidence of others. You can find guidance at the following link

<https://www.gov.uk/government/publications/apply-for-rule-6-status-on-a-planning-appeal-or-called-in-application>.

Arrangements for the Inquiry are currently being finalised by the Planning Inspectorate. These will include a pre-Inquiry conference call with the lead parties to deal with procedural and administrative matters, including how the evidence will be heard. As a rule 6 Party, it is anticipated that you would also wish to be a part of that process. If having read the above guidance, you wish to apply for Rule 6 status and /or have any related questions, you should contact the Planning Inspectorate immediately. If you are interested but are unable to access the guidance electronically, again, you should contact the Planning Inspectorate who will try and assist.

If having read the above guidance, you wish to apply for Rule 6 Status it is essential that you contact the Planning Inspectorate immediately.

All representations made at application stage will be forwarded to the Planning Inspectorate and the appellant and will be considered by the Inspector when determining the appeal. If you wish to make further comments, or modify/withdraw your previous representation you can do so online at: <https://acp.planninginspectorate.gov.uk>.

The Planning Inspectorate is trialling a new appeals service to improve the digital services they offer. If you are looking for an appeal submitted after 7 August 2019, please use the beta service option. The unique seven digit reference number will begin with '4' if it is on this service. For all other case types please use the current service.

If you do not have access to the internet, you can send your comments to:

The Planning Inspectorate
Temple Quay House
2 The Square
Bristol
BS1 6PN

All representations must be received by the 2nd August 2022 and must quote the appeal reference. Any representations submitted after the deadline will not usually be considered and will be returned.

The Planning Inspectorate does not acknowledge representations and any representations you submit to the Planning Inspectorate will be copied to the appellant and this local planning authority.

The application documents, including plans and any decision notice, may be inspected on the

Council's website <https://www.arun.gov.uk/planning-appeals>

You can get a copy of the Inspectorate's 'Guide to Taking part in Appeals' booklet free of charge from GOV.UK at <https://www.gov.uk/government/collections/taking-part-in-a-planning-listed-building-or-enforcement-appeal> or from us.

When made, the decision will be published online at <https://acp.planninginspectorate.gov.uk>.

Please do not hesitate to contact the case officer on the above details if you have any questions or queries.

Yours sincerely

Neil Crowther
Group Head of Planning
