# Transforming Today's Plastics into Tomorrow's Essentials!

Join Our Plastics Recycling Initiative and Make a Difference

Did you know that your plastics can have a second life and contribute to a sustainable future? Join our recycling initiative and be a part of the positive change!

## HOW IT WORKS:

Collect your plastics – for example bread bags, frozen food bags, crisp packets, pet food pouches, loo roll wrap or chocolate wrappers. Make sure they are clean and dry.

Drop them off at our designated collection points.

Our dedicated councillor will carefully sort and transport them to local supermarkets.

Your plastics will be recycled into essential items like Shrink Wrap,  
Delivery Bags, and more!
