SUPPORTING PAPER

COMMUNITIES, LEISURE, EMPLOYMENT AND WELLBEING COMMITTEE MEETING

WEDNESDAY 25 OCTOBER 2022

AGENDA ITEM 11 – BLUE STAR ROUNDABOUT CORNER

The picture below gives a suggested outline of the plan for the area to start the conversation.

KEY

Purple dots = Trees

Blue line = Bench

Green area = Flower bed (not to scale)

The license for the trees in this position has already been granted. A license for the bench and the flower bed will need to be applied for.

Trees: the positioning of the trees could be moved as long as agreed with WSCC. In their current position they are not obstructing sight lines. A new license would be needed to move them.

Flower Bed: size, type i.e. raised bed and what should be put in it needs to be decided.

A suggestion of having the words 'Welcome to Angmering' has been put forward by the office team. This could be written in stones/mosaics with flowers/plants around the outside. The local schools could be asked to design something.

The flower idea would take the most maintenance and ongoing costs. Mosaic option will be a larger initial outlay but low maintenance.

Bench: the positioning of the bench and how you get to it i.e. should there be a walkway needs to be decided.

Ground surface: need to agree what the surface should be i.e. grass, gravel, tarmac etc.

Considerations: up keep of the area i.e. weeds, costs, sight lines, maintenance

Decision Needed:

- 1) To decide the positioning of trees, bench and the Welcome to Angmering bed.
- 2) To decide what type of ground cover is needed.
- 3) To decide exact contents/build of the bed in order to go out for quotes.

Once the above decisions have been made we will be able to liaise with Grasstex about how much of the work they can do as part of their sponsorship. Grants can also be looked into with regards to the art work – if this option is chosen.
