MINUTES OF THE MEETING OF THE PLANNING AND INFRASTRUCTURE COMMITTEE HELD IN THE KING SUITE, ANGERING VILLAGE HALL ON TUESDAY 4 NOVEMBER 2025 AT 7.30PM

- Committee:** Sylvia Verrinder (Chair)
John Oldfield, Norma Harris, Paul Bicknell, Carey Bennett, Alan Evans, David Marsh, James Thompson and Nikki Hamilton-Street (as Chair of APC)
For the meeting to take place 3 committee members need to be present, this is known as quorum and is a legal requirement.
- Present:** Councillors: Sylvia Verrinder, John Oldfield, Norma Harris, Paul Bicknell & James Thompson
- In attendance:** Tracy Lees (Committee Clerk) and 1 member of the Public
- Acronym:** Planning and Infrastructure Committee: PI; Angmering Parish Office: APC; West Sussex County Council: WSCC; Arun District Council: ADC; South Downs National Park: SNDP; Conservation Area: CA; Environment Agency: EA; AFAS: Angmering Flood Alleviation Scheme. Construction Management Plan: CMP;

AGENDA ITEM	MINUTE NO.		ACTION FOR
1	PI25/141	APOLOGIES FOR ABSENCE Apologies were received and approved for Cllrs. Carey Bennett, Alan Evans, Nikki Hamilton-Street and David Marsh. David Marsh has now left this committee.	
2	PI25/142	DECLARATIONS OF PECUNIARY AND NON-PECUNIARY INTERESTS IN ITEMS ON THE AGENDA. Cllrs Verrinder and Harris declared a non-pecuniary interest in A/151/25/L, to be discussed in Item 6.	
3	PI25/143	APPROVAL OF MINUTES Approval of the minutes of the meeting of the committee from Tuesday 14 October 2025 were agreed by all present and signed by the Chair.	
4	PI25/144	THE CHAIRS REPORT ON ANY MATTERS OF INTEREST AND THOSE OUTSTANDING FROM THE PREVIOUS MEETING, BUT NOT INCLUDED ON THIS AGENDA. TO ALSO INCLUDE AN UPDATE ON THE STATUS OF THE ACTION LIST. A copy of the Chairs report had previously been sent to all committee members and was accepted with no questions being asked. The report was also uploaded onto the APC website.	

The Chair then reported on the following additional items:

Planning & Infrastructure Committee - Since the last committee meeting, this has been a very busy three weeks, especially this week with the Appeal Inquiry, there is a lot of information being sent to you which I hope you will find time to read and comment on, and I quickly add there is no rush. I also add that as we get closer to the acceptance of the Planning & Infrastructure Bill, still going through the Lords and Parliament, and Devolution there will be information about the changes in the planning system and the way in which we view planning applications. For the moment all remains as is.

Planning Councillor Training Manual – as a result of the experience gained at the recent appeal and the involvement of APC and the PFWBR Group under Rule 6 known as “The Angmering Alliance”, the manual will be updated to include the procedures and conduct at such an appeal or any appeal. This is to ensure that in the event of it ever happening again Councillors and Residents will know what to do and be able to participate with confidence.

The Chair advised councillors that if they are booked to attend external training, they must let the Clerk know as quickly as possible if they cannot attend, as confirmed sessions not attended may incur costs.

Planning Information – You will have been sent slides on two presentations and one explanatory document from our Planning Consultant Steve Tilbury, please read them as they may help us make relevant and more constructive comments to planning applications. These are: -

- Making Effective Planning Representations (slides)
- Update on latest issues the planning system (slides) and
- Making Effective Planning Representations (Document)

Arun Newsletter 58 – has been published with interesting information regarding FloodSmart - “prepare now for tomorrow”. Where to find useful information and contacts – <https://www.arun.gov.uk/news-archive/floodsmart-prepare-now-for-tomorrow-where-to-find-useful-information-and-contacts-9993>.

Town & Country Planning Association (TCPA) e-Bulletin – The latest edition has now been published, and it contains the three Community Planning Guides on flood risk, overheating and retrofit which I mentioned in my Chairs Report. Hopefully this bulletin will have been sent to you.

Action List None.

5 PI25/145 PUBLIC CONSULTATION

Cllr. Bicknell made a comment re cyclists cycling without lights around the village, he was advised to take this to the next Full Parish meeting on Monday 10 November 2025.

The member of the public asked about the new speed indicator devices that have recently been in stalled and would there be more locations. More locations can be investigated by request.

6 PI25/146 PLANNING APPLICATIONS

To consider Arun District Council File Lists 244, 245 and 246 of 2025:

FILE LIST 244: Observations to Arun District Council by 6 November 2025

<u>A/147/25/RES</u> Approval of reserved matters following outline consent A/153/22/OUT for the erection of 19 No	ADDRESS Broadlees Dappers Lane Angmering
--	--

dwelling (resubmission following A /133/24/RES). This application is in CIL Zone 2 and is CIL Liab as new dwellings. DECISION: Objection COMMENT: APC P&I reserves the right to make comment when the Drainage Engineers have made their report and approved this application. Until then APC offers an objection to this application subject to that report.	
<u>A/151/25/L</u> Listed building consent for refurbishment and repair with a new single storey lean-to structure and air source heat pump. DECISION: Support COMMENT: APC supports the comment by the Arun Conservation Advisory Panel regarding the introduction of vertical glazing bars	<u>ADDRESS</u> The Vestry Cottage Arundel Road Angmering
<u>A/150/25/HH</u> Refurbishment and repair with a new single storey lean-to structure and air source heat pump. (This application may affect the character and appearance of the Angmering Conservation Area). DECISION: Support COMMENT: APC supports the comment by the Arun Conservation Advisory Panel regarding the introduction of vertical glazing bars	<u>ADDRESS</u> The Vestry Cottage Arundel Road Angmering
<u>A/135/25/HH</u> Retrospective application for detached storeroom/garage. DECISION: No Objection COMMENT: None	<u>ADDRESS</u> Ashurst Ham Manor Way Angmering
<u>A/148/25/T</u> 1 No. Monterey Pine (T1) removal of overhanging branches back to the boundary line. DECISION: Support COMMENT: None	<u>ADDRESS</u> 1 Alexander Avenue Angmering
<u>A/152/25/CLP</u> Lawful development certificate for the proposed installation of 6 No. rooflights. DECISION: No Objection COMMENT: Whilst APC has no objection to this application it does ask that the Dark Night Skies and Light Pollution Policies are adhered to.	<u>ADDRESS</u> Land West of Avenals Barn Water Lane Angmering

DECISION: Objection COMMENT: APC P&I reserves the right to make comment when the Drainage Engineers have made their report and approved this application. Until then APC offers an objection to this application subject to that report	<u>ADDRESS</u> Land North of Water Lane Angmering
---	---

FILE LIST 246 – Observations to Arun District Council by 20 November 2025

<u>A/159/25/PL</u> Application under Regulation 3 of the Town & Country Planning (General Regulations) 1992 for demolition of existing pavilion; erection of new Sports and Community Hub comprising of new 3G football pitch, improved turf pitches for football, multi-use games area, locally equipped play area, hub building, storage facility, car parking, EV charging points, access road, landscaping, associated works and infrastructure (resubmission following A/222/24/PL). This application is in CIL Zone 3 (Zero Rated) as other development. DECISION: Support COMMENT: None	<u>ADDRESS</u> Sports Pavilion Decoy Drive Angmering
<u>A/156/25/TC</u> Removal of all foliage from 1 No. Rhododendron and 1 No. Common Lime within a 60 degree angle from the head of the lamp post. These trees are within the Angmering conservation area. DECISION: No Objection COMMENT: None	<u>ADDRESS</u> Alley to the South of Orme Cottages Angmering

- | | | |
|----|----------|---|
| 7 | PI25/147 | PLANNING APPLICATIONS NOT ON A WEEKLY LIST
None. |
| 8 | PI25/148 | WEST SUSSEX COUNTRY COUNCIL PLANNING APPLICATIONS
None. |
| 9 | PI25/149 | SOUTH DOWNS NATIONAL PARK PLANNING APPLICATIONS
None. |
| 10 | PI25/150 | PLANNING DECISIONS – NOT APPROVED
The refusals were noted by the committee. |

11 PI25/151 LICENSING MATTERS

A short discussion took place and the councillors stated they had concerns over the size of the premises.

12 PI25/152 CONSERVATION AREA REPORTS

None.

13 PI25/153 SOUTH DOWNS NATIONAL PARK

The SDNP Access Team has prepared a consultation draft of the Active Travel Network Plan the long-term framework for walking, wheeling, and cycling across the National Park and a tool to strengthen future active travel funding bids. The Consultation ends 14th November 2025 which can be accessed through the SDNP website.

The agenda for the Planning meeting on Thursday 13 November 2025 has been published. There are no applications relating to Angmering but under Policy & Strategy there is an item "Community Planning" update which relates to neighbourhood planning, this would apply to APC.

**14 PI25/154 COMPLIANCE/ENFORCEMENT
ENF/6/20**

Land at Merry England Nursery/Swallows Gate, Dappers Lane.

More information on the progress of this is awaited. It is possible that the upcoming appeal will relate to this part of Condition 10. The developer still has until April 2026 to comply with the Enforcement Notice.

ENF/236/22

Former Shrublands (n/a Mayflower Meadows)

A letter has been sent by ADC to the residents now occupying some of the properties on this site explaining the reason for the current refusal of application A/115/25/PL. Copy of the letter has been sent to Councillors.

15 PI25/156 APPEALS

Sought by an applicant as a result of an application refusal by the Local Planning Authority.

**1) Swallows Gate Vehicle Access, Dappers Lane. - PINS ref:
APP/C3810/C/25/3364403**

We have been advised that from the 29th May 2025, the issue of an Enforcement Notice (ENF/6/20) is being appealed. We currently await further information on this appeal regarding the non-compliance with Condition 10 of A/142/16/OUT as varied by A/91/18/PL and detailed by A/111/23/DOC of 27th June 2023. Closure date for comments is 31st July 2025. This appeal is an Enforcement Notice Appeal, and the procedure is by way of Written representations. The decision on this could take 73 weeks which may not happen until the end of October 2026; however, as previously said, the developer has until April 2026 to fully comply with the condition.

The required footpath runs from the entrance into Swallows Gate, south along the western side of Dappers Lane to Merryfield Crescent. Councillors were asked to let the office know if any construction work on this footpath on Dappers Lane begins prior to next April.

2) Land West of Bewley Road. - PINS. ref: APP/C3810/W/25/3369419

Gleeson Land appealed against the refusal by ADC for the development of 190 residential dwellings and a community building together with the provision of

open space, landscaping and associated infrastructure. Application A/154/24/OUT refers.

The Inquiry finished today (4th November) so we now await the result which is expected at the beginning of 2026. The Flooding/Hydrology aspect of the Inquiry lasted for a day and a half. The planning aspects were conducted as a roundtable discussion between the Inspector, Barristers and legal planning witnesses. On Friday afternoon (31st October), the Inspector made another site visit which included the three legal teams, some members of the Rule 6 team and members of the public. The Chair added that prior to the Inquiry and during the Inquiry site visits were made by the Inspector and members of the legal teams. Although this last visit was made during half term the previous visits were made during school term time so all could see the problems relating to Arundel Road.

As Chair of APC P&I Committee, and as this is the first appeal of this magnitude that Angmering has been involved in, the Chair thanked everyone that was either involved in or contributed to it, for their dedication and hard work over very many months of working towards a dismissal by the Inspector. We now await the result due in January 2026.

16 PI25/157 CORRESPONDENCE

Correspondence continues between the Clerk and the Dappers Lane Group in response to the conversation at Full Council on Monday 13 October 2025. This item is added to the Highways Action List at agenda Item 17.

17 PI25/158 HIGHWAYS MATTERS

Highways Action List

The list was sent out with the supporting papers and uploaded to the APC website prior to tonight's meeting. The Chair talked through all items that had been updated.

Traffic Regulation Orders

A280 – Speeding etc

Information has been received of the amount of accidents on the A280 and the excessive speed together with the use of the road by youngsters for time trailing, both of which are illegal. The County Councillor for Angmering Cllr Deborah Urquhart is in support of the legal speed being reduced to 50mph which will align with that of the A259, and a TRO has therefore been raised. Parish Council agreement will be discussed at the next Full Council meeting on 10th November 2025. This has now been added to the Highways Action List

Other Highways Matters affecting Angmering

a) Update on Water Lane Sewer work

An update on the continuing work has been received from Southern Water/Clancy, that as the village square is now open to traffic the final phase of improvement work will be continuing along Water Lane from the Lamb Inn with 15 excavations, therefore the entrance into and exit from the Square along Water Lane remains closed. Residents along Water Lane will still be able to access and egress their properties at all times. Parking along the residential side of Water Lane to Weavers Hill will not be permitted.

b) Update on Traffic Lights/crossing replacement on the A259

The work is now complete with the safe crossing and lights now fully operational. Any comments should be addressed to WSCC Highways. As there were no comments, this item is now closed.

c) **Safety Concerns A259/A280 Roundabout**

A resident has raised concerns over the design and safety of the roundabout and junctions off the roundabout near the Manor Place development. These concerns have been expressed to APC and WSCC Cllr Urquhart who has stated that WSCC Highways are aware of the situation and that there is still work to be done before the final safety audit is carried out and published. Be advised that this item will be added to APC's Highways Action List above. The correspondence has been sent to Councillors - are there any comments or questions.

To be added to Highways Action List

d) **Dappers Lane**

The Save Dappers Lane Group and APC have been advised that there will be no further adjustments to the signage along Dappers Lane until after a 12-month period when the new signage has bedded in and any problems will have been highlighted. These can then be investigated and dealt with. Councillors and users are requested to report any problems to WSCC Highways and to The Parish Clerk.

To be added to Highways Action List

A brief discussion was had regarding village gates and extending the 20mph village wide.

18 PI25/159 ARUN DISTRICT COUNCIL PLANNING COMMITTEES

Planning Committee Meeting

Next meeting will be held on:

Wednesday 19 November at 2pm – Awaiting agenda

Planning Policy Committee

Next meeting to be held on:

Thursday 26 November at 6pm – Awaiting agenda

Thursday 27 January at 6pm – Awaiting agenda

Meetings are held at the Council Chamber, Arun Civic Centre, Maltravers Road, Littlehampton, BN17 5LF.

19 PI25/160 MATTERS REQUIRING CONSIDERATION AT FUTURE MEETINGS OF:

1. This Committee: Cllrs Thompson and Bicknell will be bringing information regarding Village Gates to February 2026 meeting.
2. Full Council: A280 TRO speed limit investigation

DATE OF NEXT MEETING

The Committee's next meeting is on Tuesday 25 November 2025 at 7.30pm, King Suite, Angmering Village Hall.

The meeting concluded at **21.00**.

.....
Chairman

Date.....

Planning & Infrastructure Committee Chairs Report 25th November 2025

1) **Future Dates of Authority Planning Committees**

Applications and matters that could affect Angmering.

Members are requested to view the following agendas, planning matters and websites, then make comment where necessary.

Authority & Committee		Next Date 2025/26	Comment
ADC	Planning	17 th December	Awaiting Agenda.
ADC	Planning Policy	27 th January	Awaiting Agenda. Agenda for 26 th November has been published and there are three items of interest to Angmering. a) Arun Brownfield Land Register b) Infrastructure Funding Statement 2025 c) Arun Biodiversity Plan
SDNP	Planning	11 th December	Awaiting Agenda
WSCC	Planning & Rights of Way	3 rd December	Meeting Cancelled
WSCC	Community, Highways & Environment Scrutiny	19 th January	Awaiting Agenda. Agenda for 24 th November has been published. There are some items that may have an effect on Angmering.

2) **Angmering Parish Council Applications:**

Decision by ADC of applications observed by APC that are either, Part Approved, Withdrawn, or do not require planning permission.

Part Approved - None

Withdrawn - None

Planning Permission not required - None

3) **McCarthy Stone Development – Oakleaf Place**

Information has been received that the contractors vehicles are using Water Lane to park. It was understood when viewing the application that these vehicles would be parked in the area for the intended car park whilst the main building was under construction and not on the highway of Water Lane and Cumberland Crescent. This matter is being handled by ADC and WSCC. I still have concerns that the HGV being used will use the village square as a means of getting to and from the site. The Clerk is keeping an eye on what is going on and will report back to ADC/WSCC as necessary.

Sylvia G M Verrinder

Councillor Sylvia Verrinder TD

Chair: Planning & Infrastructure Committee 2025/2026

Angmering Parish Council

Issue Number	Highway Issue	Location	Issue/Concern	Method of Resolution	Comment	Date last updated	Delegated to
1	Highways Lines	Station Road and A259 Roundabout	Blue Star Roundabout - Should the former keep clear markings on this roundabout be reinstated to alleviate the blocking of this roundabout when the level crossing barriers are closed at Angmering Station.	Logged on WSCC Portal	Update received from WSCC - "The site has been inspected and a job has been raised to reinstall the "KEEP CLEAR" markings on the Blue Star Roundabout, Angmering. The job has been placed onto a priority ranking system and will be completed once funding has been allocated." Chased James/Gary at WSCC again 18/11/2024	18/11/2025	KH
2	Road Signs	Bramley Way and Nursery Road	More speed signs stating 20mph through Bramley Green Estate All road markings are very worn, especially those indicating whose right of way it is at pnch points, speed humps and into adjoining roads. Need for more 20mph roundels on posts along the length of Roundstone Lane to help with speeding and floor markings on speed bumps.	WSCC Enquiry	All issues discussed with WSCC Officer. Nursery Road - Clerk thas logged road marking issues on portal again and mention that WSCC Officer has visited site and to liaise with him. Update: Nursery Road – Road Markings - 3285669: I have inspected site and noted that these roads meet our investigatory levels for intervention. With this said, subject to future funding Nursery Road, Rowan Way and Bramley Way will be added to a future programme of refurbishment road marking works. Enquiry 3285669 - work needed will be completed once funds have been allocated. Bramley Way - As per the above. Roundstone Lane - As per above (part of same equiry) stating repeaters needed for 20mph signs. Update - Lack of 20mph signage – Roundstone Lane - 3285669: I have done some further digging into this section of road and I missed on site that this forms part of the 20mph Zone! The Department of Transport Traffic Signs Manual Chapter 3 (Section 8.7.1) specifies within a 'zone', speed limit repeater signage isn't required, so long as there is a sufficient traffic calming feature at regular 100m intervals. There are many types of traffic calming features that can be used within a zone, including speed humps, road marking roundels, pedestrian refuge, junctions or bends in the road. Within nearby roads such as Nursery Road/Bramley Way, the priority/give way systems are essentially traffic calming features in themselves and unless there is evident need or fundamental change for additional signage at this location, extra 20mph repeater signage would not currently be a high priority at this time.	12/02/2025	KH
3	Road Signs	High Street into village	Fast traffic – suggestion slow sign on the bend at the top of the hill? A report has been submitted for the yellow lines to be repainted, 20mph floor markings to be repainted, as well as the addition of a SLOW floor marking as you travel from the top of the hill, towards the village square.	WSCC Enquiry	WSCC have previously not agreed to any of the suggestions made. WSCC officer is visiting Angmering in November and the Clerk will take him to this area as part of their walk around to demonstrate the issues. Chatted re Speed Indicator Devices and a scheme could be put together to include Water Lane, Highstreet and Weavers Hill. Suggestion made about parking on the hill - The Clerk will contact WSCC and the S278 agreement for Chandlers - to see if something can be added. Advice given to raise a TRO or consider one way traffic again.	06/01/2025	KH
4	Road Signs	Arundel Road	Speed of traffic in Arundel Road. APC wanted to extend the 20mph limit to the full length of Arundel Road.	WSCC Enquiry - with potential TRO.	We can now not go forward (at this time) with extending the 20mph zone due to the change to 30mph further north along Arundel Road by the developer. We will move forward once this has been completed. Still awaiting the completion of the speed change at the north of Arundel Road by the developer (S278/S38). Clerk to continue pursuing a completion date of this alteration and then to go forward with a TRO. 20mph signs have been moved further north as suggested by WSCC. Electronic sign now working. When viewing the issue with school traffic on 11 September it was noted that the 30mph signs had been moved nearer to the A27, meaning the 60mph zone has been shortened. I have now asked if we are good to go with the request to put in a 20mph zone the full length of Arundel Rd A meeting was held with WSCC to discuss traffic issues on Arundel Road. The 20mph limit was discussed and it was recommended that this be part of a large Community Highways Scheme including line making and clearance work along the top of Arundel Road	18/11/2025	KH
6	Flooding	Area outside houses on Station Road	Flooding constantly and near a school. Ongoing issue for many years and nothing done. Officer stated that gully clearing is to be done – probably in the next 6-9 months.	WSCC Enquiry	Gully clearance took place in August 2024. If issues are noted again. Original request under 3246000, quote this if there are further issues. Contact WSCC to ask when the next gully clearance will take place and report back. Information requested Requested WSCC look into this - they replied to state -"Without sufficient ponding evidence, I can't really answer this question. The weather has been mostly dry. Our scheduled maintenance has now been reduced across the county from a max of 4 years per clean, down to 2. When it comes to reactive work, we can only raise jetting and cctv if the ponding is evident, and longer lasting than 2 hrs. I have had very little enquires come through about station road regarding drainage, which is telling the issue isn't severe. I can keep an eye during wet weather, but at this time there is nothing to update your customer"	22/04/2025	KH KH
7	Road Condition	Entrances to the village	Unsuitable for HGV signs. HGV's using village as a cut through.	WSCC Enquiry	Blue Star roundabout has a sign. A27 entrance (Arundel Rd) - WSCC Officer will relook at this one. Clerk to forward over email from National Highways regarding design and location. Update - HGV signage request – Arundel Road: I have looked into this again and discussed this with my Assistant Area Highways Manager. Ultimately, our stance remains the same as my previous email from Enquiry 3239955 in that there would be no suitable location for a sign at this junction within the Highway Boundary. Any signage advising vehicles that the road is unsuitable for HGVs could inadvertently cause a safety issue by alerting drivers too late as they approach the junction. This junction is sharp and manoeuvres could prove difficult, and telling vehicles in advance of the turning would be the most practicable solution. With this said, our stance regarding Unsuitable for HGV signs is that these are not currently a high priority. WSCC has adopted an evidenced based approach for these signs, and with the caveat that access is required to Arundel Road (a C-classification road with genuine business access), there may be no alternative route that is suitable for HGVs to use to enter Angmering. A280 - now the roundabout is being constructed - a sign may possible be added to say "Angmering Village Only" and "Not suitable for HGV's". Need to wait for final sign off of roundabout first. Still waiting for roundabout to be signed off	18/11/2025	KH
8	Parking Issues	Greenwood Drive and Rowan Way	This includes road markings, cycle paths and engineered solutions to resolve issues with parking.	WSCC Enquiry/TRO	Issues raised via The Angmering School. The meeting with WSCC Highways has taken place - awaiting feedback - Nikki will report back. Will be a CHS or Active Travel Plan	06/01/2025	NHS
10	Parking - Top of Arundel Road	Arundel Road	Parking of parents in a 60mph zone, offloading children and potential to cause an accident	Meeting with WSCC Offcier/TRO	Meeting organised for 11 September at school pick up time with Olly King. Meeting held, Deborag Urquhart also attended half way through. The meeting was held on 14 November with WSCC, APC and school represenatives. Yellow lines, foliage cut back, signs, road markings and speed limit were all discussed. APC were advised to put in a Community Highways Scheme to cover all the works. The Clerk will work with the WSCC officer to complete this.	18/11/2025	KH
11	Safety of users	Roundabout A280/A259	A resident has raised several safety concerns regarding the roundabout and the roads leading on/off it. These have been fed direct to WSCC	Liase with WSCC	Resident copied us into initial emails and follow up emails from WSCC (via Cllr. Deborah Urquhart). Email has been shared with all councillors. Latest email from resident sent on 21/10/25 "I will await Highways Stage 3 risk assessment and I have noted the inspector's 'intention' to chase up the contractor to deliver the Safety Features outstanding. An observation for now please, as we await the Stage 3 risk assessment is that the assessments at Stage 1 and Stage 2 were completed at a time when the Angmering to Littlehampton A259 was down to a single lane with speed limits in place (40mph) due to the ongoing improvement A259 works (2018 -2023). The risk assessments were completed before the A259 was completed and opened in July 2023. I would like to leave the matter here now and await further works and assessments."	21/10/2025	Office
12	Speed on A280	A280 Angmering Bypass	Speed of traffic on A280 - noise and accidents. TRO raised by resident to reduce the speed from 60 to 50.		Information has been received of the amount of accidents on the A280 and the excessive speed together with the use of the road by youngsters for time trailing, both of which are illegal. The County Councillor for Angmering Cllr Deborah Urquhart is in support of the legal speed being reduced to 50mph which will align with that of the A259, and a TRO has therefore been raised. Parish Council agreement will be discussed at the next Full Council meeting on 10th November 2025. The Parish Council agreed to support the application and the resident has been advised.	18/11/2025	Office
	Dappers Lane Speed	Dappers Lane	Speed along Dappers Lane even after 20mph TRO went through		The Save Dappers Lane Group and APC have been advised that there will be no further adjustments to the signage along Dappers Lane until after a 12-month period when the new signage has bedded in and any problems will have been highlighted. These can then be investigated and dealt with. Councillors and users are requested to report any problems to WSCC Highways and to The Parish Clerk.	07/11/2025	Office
