Re: Vehicle speeds in Water Lane, Angmering

Dear Katie

Below is a compilation of results of the monitoring of vehicle speeds in Water Lane, Angmering by the Community Speedwatch Team between June 2018 and May 2019. The direction / times monitored were West towards Angmering village with monitoring times either 0900-1000 or 1500-1700, in one-hour slots.

The number of vehicles exceeding the speed threshold (24mph) and max speed recorded at the above location was as follows:

Date	Number of Vehicles >24mph	Max Speed Recorded
13.06.18	50	40
27.06.18	49	36
11.07.18	52	38
01.08.18	52	35
03.08.18	33	33
23.08.18	50	37
24.08.18	51	36
31.08.18	51	34
06.09.18	51	34
10.10.18	52	44
16.10.18	52	35
31.10.18	52	35
06.11.18	26	33
13.11.18	36	36
14.12.18	43	36
18.01.19	45	35
30.01.19	37	35
07.02.19	48	35
21.02.19	47	35
29.03.19	51	37
01.04.19	50	35
23.04.19	51	34
01.05.19	51	34
24.05.19	52	44

I would ask that the matter of excessive vehicle speeds in Water Lane, Angmering is added to the Agenda of the next Housing, Transport & Planning Committee meeting for the consideration of additional traffic calming measures.
